

THE COSMOPOLITAN CLUB

## **WELCOME TO THE COSMOPOLITAN CLUB**

Housed in an elegant deco period building on the Upper East Side, The Cosmopolitan Club is a private women's club founded in 1909. The membership is active and diverse and comes to "The Cos" to attend lectures and classes, and to enjoy dining, social and cultural events. The Club also has guest bedrooms for overnight stays and a variety of unique spaces for celebrations of all sizes.

The Architectural League of New York awarded its Gold Medal in 1933 to Thomas Harlan Ellett for this outstanding example of Art Deco/Neo-classical design.

## THE CLUBHOUSE

The 10-story Clubhouse stands in the heart of New York City's Upper Eastside Historic District, conveniently located close to transportation and major cultural institutions. The spaces are warm and welcoming, a beautiful blend of period details and modern comforts.

The sun-filled rooms and terraces of the Clubhouse provide members and their guests with gracious settings and spectacular views of the Manhattan skyline.

## THE LOUNGE

The Lounge  
is the center of  
Club life. The  
perfect place to  
meet with friends,  
read the morning  
paper, and enjoy  
cocktails and  
hors d'oeuvres,  
or a full English tea  
in the afternoon.

## OUR PROGRAMS

The Cos Club's programs provide sustenance for mind, body and spirit. In a given week, a member could attend a lively cocktail reception, a Member Luncheon discussing New York City landscapes, a lecture on global security, a discussion of an award-winning book and a private screening of a new documentary.

**EXTRAORDINARY LECTURES** are a hallmark of the Cos Club which has hosted talks by Cabinet members, NYC mayors, media superstars, prominent jurors and luminaries of the art world. The International Committee also sponsors highly regarded lectures and themed dinners.

**THE ARTS** are celebrated and enjoyed through frequent private tours, lectures, performances and programs on fine art, architecture, music and dance. Literary interests are pursued through book clubs and authors' discussions.

**SOCIAL EVENTS** are frequent, fun and festive—holiday parties, themed socials, shore dinners and birthday teas. Our

younger members are particularly creative in finding reasons to celebrate—Halloween parties, Library terrace cocktails and other lively diversions.

**BRIDGE LESSONS** at multiple levels and several duplicate series are offered in a new dedicated Games Room. The Bridge Committee boasts a team that competes successfully against other clubs in the city.

**CLASS OFFERINGS** are constantly growing, from exercise (barre, Pilates, yoga, tai chi, tap dancing) and languages to subjects that expand horizons - memoir writing, watercolor painting, opera boot camp, meditation and mah jongg.

**MEMBER LUNCHEONS**, the prized centerpiece of Club life since 1918, showcase members who speak to other members about their professional experience and personal interests or activities. Recent subjects have included such diverse topics as women composers, pearl cultivation and Chinese history.
